A Jersey team travelled to Douglas, Isle of Man, for the 2009 Commonwealth Shooting Federation (European Division) Championships, consisting of Rifle, Pistol and Shotgun shooters. A contingent also travelled to Bisley for the Fullbore Rifle competition.

The Airgun events took place at the National Sports Centre in Douglas, the cartridge pistol at the Slieau Lhost range, the smallbore rifle at the Sinclair Range and the shotgun events up at Blue Point. There was also a Full-bore rifle event and this was shot at Bisley.

Thanks must go to Terry Underwood and Syd Payn as our GTMs. Terry was the non-travelling (administrator?!) GTM as he was in a accident and has injured his leg and so couldn't travel and Syd stepped in to be the GTM just prior to travel. Thanks also to Cliff Mallett for looking after the fullbore rifle team and transporting thier rifles to Bisley.

Congratulations to all those who participated.
